Foreign Military Sales (FMS)

Procedures

DLIELC is the sole source for all ALC materials.

- FMS-funded purchases of ALC materials may be obtained by developing a Letter of Offer and Acceptance (LOA) to establish a new FMS case for the purchase of ALC materials. We recommend setting up a blanket order case since it does not require a detailed order of materials to set it up; instead, a case value (total dollar amount) can be requested for ALC materials.
- Or, purchases may also be funded from a suitable existing FMS case. Please refer to DoD 5105.38-M, Security Assistance Management Manual (SAMM), Chapter Seven: "Preparation and Processing of FMS Cases" for instructions.
- Once the FMS case is set up, download DD Form 1149 and the Order Form from our web site <http://www.DLIELC.edu>. After completing the requisition, forward to the appropriate MILDEP International Logistics Center (see addresses below).

Shipping Costs and Procedures

- Include a freight forwarder address with POC including phone number, fax number and email address.
- Indicate if partial orders are not acceptable; order will be held until all materials are available.
- Add 4% fee based on cost of materials for packing, crating and handling.
- Include air shipment charge at 50% of materials cost.

Important Note: DLIELC cannot take action on a DD Form 1149 requisition until the US MILDEP International Logistics Center or Security Assistance Center has approved the requisition with an authorized accounting fund cite code and FMS Case. The requisition, including shipping and POC information, is then forwarded to DLIELC/LESL for processing.
